## Castle View School Register of Business Interest

### Notes:

1. All members of the governing body have a responsibility to avoid any conflict between their business and personal interests and affairs and interests of the school. A register of interests is maintained for this purpose.
2. The register must include all business interests such as directorships, share holdings and any other appointments of influence within a business or other organisation which may have dealings with the school.
3. The disclosures should also include business interests of relatives or other individuals who may exert influence.
4. The register must be made freely available for inspection by governors, staff and parents.
