Yr11 predictions	7-11 data pull	Yr9 data pull	7,8,10,11 data pull	7-9 data pull	Yr10 data pull

Continuous curriculum from Year 7 -Year 11	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39
Post-16 Study	Religious Education post 16 can be studied as an AS or A Level. Students explore issues regarding morality and philosophy as well as the developments of religious beliefs throughout history and the impact or religious issues on society today. Thought this student learn the importance of respecting others and gain a broader understanding of views and beliefs. It will also improve their knowledge of global affairs.

Pre-secondary	We work collaboratively with primary schools to ensure we build upon their study from key stage 2. Students come from a range of feeder primary schools. These cover different religions/no religions. We are mindful some may have attended primary schools of religious character. We are not assuming any specific knowledge- although most primaries study a brief concept of the 6 main world religions religious such as Christianity and the basic origins of that religion and Humanism. We look to build on this.
