PUPIL ATTENDANCE POLICY

The name and contact details of the Senior Attendance Champion – the senior leader responsible for the strategic approach to attendance in our school, is:
Laura Mechem
laura.mechem@castleviewschool.co.uk

The name and contact details of the school staff member pupils and parents should contact about attendance on a day-to-day basis is:
Debbie Petty – Attendance Officer
debbie.petty@castleviewschool.co.uk

The name and contact details of the school staff member pupils and parents should contact for more individual support with attendance (Student Support Officer):
joanne.anderson@castleviewschool.co.uk - Year 7
- Year 8
rachel.scott@castleviewschool.co.uk - Year 9
grace.clothier@castleviewschool.co.uk - Year 10
paula.bagley@castleviewschool.co.uk - Year 11

Governing Body Responsibilities

The Governing Body will:

- Promote the importance of attendance across the school.
- Receive regular attendance reports.
- Monitor attendance trends and vulnerable groups.
- Hold leaders to account for attendance outcomes.
- Ensure the school fulfils its statutory attendance duties.

Link governor: Natalie Osborne
Ratified by the Governing Body:
Review Date: July 2027

Castle View School

Pupil Attendance Policy

Introduction and Background

"A full-time education is essential for pupils to get the most out of their school experience, including their attainment, wellbeing, and wider life chances."
-Department for Education (Working Together to Improve School Attendance)

At Castle View School, we recognize and promote this.

The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude, and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education either by attendance at a school or by education otherwise than at a school.

Where parents decide to have their child registered at school, they have an additional legal duty to ensure their child attends that school regularly, on time. This means their child must attend every day that the school is open, except in a small number of allowable circumstances such as being too ill to attend or being given permission for an absence in advance from the school.

The Department for Education (DfE) has produced statutory guidance for maintained schools, academies, independent schools, and local authorities. It is called "Working together to improve school attendance" and it includes a National Framework in relation to absence and the use of legal sanctions. Our School Attendance Policy reflects the requirements and principles of that guidance.

This policy is written with the above guidance in mind and underpins our school ethos to:
- promote children's welfare and safeguarding;
- ensure every pupil has access to the full-time education to which they are entitled;
- ensure that pupils succeed whilst at school;
- ensure that pupils have access to the widest possible range of opportunities at school, and when they leave school.

It has been developed in consultation with school governors, teachers, local Headteacher Associations, the Local Authority and parents and carers. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the school's commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

In addition, all schools follow the DfE's statutory safeguarding guidance, Keeping Children Safe in Education, which emphasises the importance of understanding the potential vulnerabilities of children who are missing or absent from education.

Attendance is a safeguarding priority at Castle View School. Poor attendance may be an indicator of unmet need, emotional wellbeing concerns, neglect, exploitation, contextual safeguarding risks, mental health difficulties or other barriers to learning. Attendance information is therefore considered alongside safeguarding information to ensure pupils receive the right support at the right time. Where concerns arise, attendance will be discussed as part of the school's safeguarding processes and, where appropriate, external agencies may be involved to support the child and family.

https://www.gov.uk/government/publications/keeping-children-safe-in-education--2

Children Missing Education - Guidance for Local authorities (publishing.service.gov.uk)

Our policy aims to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued;
- Raising and maintaining a whole school awareness of the importance of good attendance and punctuality;
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently.

For our children to gain the greatest benefit from their education it is vital that they attend regularly and be at school, on time, every day the school is open unless the reason for the absence is unavoidable. **The school expects all pupils to attend every day that the school is open, unless absence is unavoidable or has been authorised by the Headteacher.**

Promoting Regular Attendance

At Castle View School we believe that **Every Minute Matters**. Excellent attendance is fundamental to academic success, personal development, wellbeing and safeguarding. We are committed to working in partnership with pupils, parents and external agencies to ensure all pupils attend regularly and achieve their potential.

Our approach is based on:

- High expectations for all pupils
- Positive relationships with families
- Early identification of barriers
- Timely intervention and support
- Recognition and celebration of good attendance
- Appropriate use of legal intervention when support has not been successful

At Castle View School, we believe in developing good patterns of attendance and setting high expectations for attendance and punctuality for all our pupils from the outset. It is a central part of our school's vision, values, ethos, and day-to-day life. We recognise the strong connections between attendance, attainment, safeguarding and wellbeing and know good attendance is integral in creating a culture of success.

The name and contact details of the Senior Attendance Champion (the senior leader responsible for the strategic approach to attendance in our school) is:
Laura Mechem
laura.mechem@castleviewschool.co.uk

Helping to create a pattern of regular attendance is the responsibility of parents, pupils, and all members of the school staff.

To help us all to focus on this, we will:

- Submit a daily attendance return to the Department of Education, in line with the legal expectations placed on all schools;
- Build strong relationships and work jointly with families;
- Give parents/carers details on attendance in our newsletters;
- Promote the benefits of high attendance;
- Accurately complete admission and attendance registers and have effective day to day processes in place to follow-up absence as required by law;
- Celebrate excellent attendance by displaying and reporting individual and class achievements;
- Reward good or improving attendance;

- Report to parents/carers regularly on their child's attendance and the impact on their progress;
- Contact parents/carers should their child's attendance fall below the school's target for attendance.

Understanding Types of Absence

Any absence affects the routine of a child's schooling and regular absence will seriously affect their learning journey and ability to progress. Any pupil's absence or late arrival disrupts teaching routines and so may affect the learning of others in the same class. Ensuring a child's regular attendance at school is a parental responsibility and allowing absence from school, without a good reason, creates an offence in law and may result in prosecution.

Every half-day absence from school must be classified by the school (not by the parent), as either **authorised** or **unauthorised**. This is why information about the cause of any absence is always required. Each half-day is known as a 'session.'

Authorised absences are morning or afternoon sessions away from school for a genuine reason such as illness *that is severe enough to necessitate absence* (although you may be asked to provide medical evidence for your child before this can be authorised), medical or dental appointments which unavoidably fall in school time, emergencies or other unavoidable cause.

Illness

In line with government advice, Castle View School may ask for evidence regarding illness if:

- Your child is regularly absent because of illness, to assess how we can help your child by putting the right reasonable adjustments in place
- In a small number of cases where we have reason to believe your child was not too ill to attend and a conversation cannot resolve the issue.

Unauthorised absences are those which the school does not consider reasonable and for which no 'leave' has been granted. This type of absence can lead to the school referring to the Local Authority for penalty notices and/or legal proceedings.

Unauthorised absence includes, (however this list is not exhaustive):

- parents/carers keeping children off school unnecessarily e.g. because they had a late night or for **non-infectious illness or injury that would not affect their ability to learn**;
- absences which have never been properly explained;
- children who arrive at school after the close of registration are marked using a 'U.' This indicates that they are in school for safeguarding purposes, however, is counted as an absence for the session;
- shopping trips;
- looking after other children or children accompanying siblings or parents to medical appointments;
- their own or family birthdays;
- holidays taken during term time, not deemed 'for exceptional purposes' by the headteacher, including any arranged by other family members or friends;
- day trips;
- other leave of absence in term time which has not been agreed.

Persistent Absenteeism (PA) and Severe Absenteeism (SA)

Attendance	Classification	School Response
96%-100%	Excellent attendance	Universal promotion and attendance rewards
90%-95.9%	Attendance causing concern	Monitoring and pastoral contact
Below 90%	Persistent Absence	Attendance plan and targeted intervention
Below 50%	Severe Absence	Intensive support and multi-agency intervention

A pupil is defined by the Government as a **'persistent absentee'** when they miss 10% or more schooling across the school year for any reason; this can be authorised or unauthorised absence. Absence at this level will cause considerable damage to any pupil's education and we need the full support and co-operation of parents to resolve this. Any pupil who has attendance levels of 90% or below is a persistent absentee.

A pupil who has missed 50% or more schooling is defined by the Government as '**severely absent'**. Pupils within this cohort may find it more difficult to be in school or face bigger barriers to their regular attendance and, as such, are likely to need more intensive support.

Absence Procedures

The name and contact details of the school staff member pupils and parents should contact about attendance on a day-to-day basis is:
Debbie Petty – Attendance Officer
debbie.petty@castleviewschool.co.uk
Absence line: 01268222671

We monitor and review all pupils' absences, and the reasons that are given, thoroughly.

If a child is absent from school the parent must follow these procedures:
- Contact the school on the first day of absence before 9am, when our registration closes.
- The school has an answer phone available to leave a message if nobody is available to take your call, or you may call into school personally and speak to the office staff. Please be aware that, if you leave a voicemail to report your child's absence, you may receive a call from the school so that we may discuss the absence before deciding as to whether the absence is to be recorded as authorised;
- Contact the school on every further day of absence, again before 9am;
- Ensure that your child returns to school as soon as possible, and you provide medical evidence, if requested, to support the absence. Medical evidence may be requested where **your child is having multiple periods of absence which are reported as being due to medical reasons. When determining whether a child is too ill to attend school, both parents and school staff can consider the advice contained within the NHS 'Is my Child Too Ill for School?' webpage at www.nhs.uk/live-well/is-my-child-too-ill-for-school/**

If your child is absent, we will:
- Telephone, text, email or contact you using any contact details held by the school to establish the reason for absence and ensure your child's safety.
- Take proportionate action based on the information available, the circumstances of the absence, attendance history, safeguarding considerations and any known vulnerabilities.
- Contact emergency contacts where appropriate.

- Carry out welfare checks, home visits or attendance checks were deemed necessary.
- Use appropriately trained school staff, Attendance Ambassadors, Aquinas representatives or other authorised professionals to complete welfare visits on behalf of the school.
- Request supporting evidence where appropriate.
- Refer concerns to external agencies where this is considered necessary to safeguard a child or support improved attendance.

To safeguard pupils and verify their welfare, the school may undertake an attendance or welfare visit at any point where concerns arise regarding a pupil's absence, punctuality, whereabouts, welfare or engagement with education. The decision to undertake a visit will be based on professional judgement and the individual circumstances of each case. There is no requirement for the school to exhaust all available telephone numbers or emergency contacts before carrying out a welfare visit. Parents and carers should therefore expect that home visits may be undertaken without prior notice where the school considers this to be necessary, reasonable or proportionate.

Lateness

Poor punctuality is not acceptable and can sometimes lead to irregular school attendance patterns. Good time-keeping is a vital life skill which will help children as they progress through their school life and out into the wider world.

Pupils who arrive late disrupt lessons and, if a child misses the start of the lesson, they can feel unsettled and embarrassed and risk missing vital work and important messages from their class teacher.
The times of the start and close of the school day for all pupils at Castle View School are:
Doors open: 8.10am
Period 1 starts: 8.30am
Registration closes: 9.00am
End of the school day: 3pm

How we manage lateness:

- The school day starts at 8.10am when children can begin to come into school;
- Registers are taken at 8.30am at the beginning of Period 1;
- Children arriving after 8.30am are required to come into school via the student entrance. Any child not in school at 8.30am is deemed late and students without an acceptable reason will be sanctioned in accordance with our behaviour policy.
- At 9am the registers will be closed. In accordance with the Regulations, if your child arrives after that time, they will receive a mark that shows them to be on site – 'U,' but this will not count as a present mark, and it will mean that they have an unauthorised absence;
- The school may contact parents/carers regarding punctuality concerns.

Unauthorised lateness could result in the school referring to Aquinas or the Local Authority for sanctions and/or legal proceedings. If your child has a persistent lateness record, you may be asked to meet with our attendance team, but you can approach us at any time if you are having difficulties getting your child to school on time. We expect parents and staff to encourage good punctuality by being good role models to our children and, as a school, we celebrate good class and individual punctuality.

Understanding barriers to attendance

Whilst any child may occasionally have time off school because they are too unwell to attend, sometimes they can be reluctant to attend school. Emotional wellbeing, anxiety and emotionally based school avoidance (EBSA) can have a significant impact on attendance. Where attendance difficulties arise from mental health concerns, anxiety or emotional barriers, the school will work in partnership with families and appropriate professionals to understand the underlying causes and develop a graduated package of support to improve attendance and engagement.

Any barriers preventing regular attendance are best resolved between the school, the parents, and the child. If a parent thinks their child is reluctant to attend school, then we will work with that family to understand the root problem and provide any necessary support. We can use outside agencies to help with this, such as Aquinas, the School Nurse, Mental Health and Emotional Wellbeing support services, a Child and Family Support Worker or the relevant Local Authority team/s. Where outside agencies are supporting the family, you may be invited to attend a Team Around the Family meeting (TAF) to consider what is working well and what needs to improve. An individual support plan will be agreed upon and subsequently reviewed.

Some pupils face greater barriers to attendance than others. This may include pupils with SEND, pupils with medical needs, looked after children, previously looked after children, young carers, pupils with a social worker, pupils subject to Child Protection Plans and pupils experiencing significant family difficulties. The school will work proactively with families and relevant professionals to remove barriers and support positive attendance outcomes.

Under the DfE's statutory guidance, schools are required to submit a sickness return to the Local Authority for all pupils who have missed/are likely to miss 15 or more school days (consecutive or cumulative) due to medical reasons/illness.

See Annex A for summary tables of responsibilities for school attendance.

Please contact your child's Head of Year or our attendance team if you need support.

Part-Time Timetables

The school will only use a part-time timetable in exceptional circumstances and where it is considered to be in the pupil's best interests. Any arrangement will be agreed with parents, regularly reviewed and used for the shortest possible period. The aim will always be a successful return to full-time education.

Attendance Support Plans

Where attendance begins to decline, the school may implement an Attendance Support Plan.

These plans may include:

- Attendance targets
- Identified barriers to attendance
- Agreed support strategies
- Reasonable adjustments
- External agency involvement
- Review meetings with parents and carers
- Clear responsibilities for all parties

Aquinas (School Attendance Provisions)

Parents are expected to contact school at an early stage and to work with the school staff in resolving any problems together. This is usually successful. If difficulties are not resolved in this way, the school may refer the child to Aquinas. Aquinas works alongside the school's internal attendance and pastoral teams to help the school promote good attendance and reduce absence, including persistent absence, and to provide swift, early intervention to address patterns of absence.

They conduct weekly attendance reviews for all pupils, identify individual concerns and recommend the appropriate action. The process of intervention implemented by Aquinas is solely designed to overcome any identified barrier to a student's school attendance without the need for legal action. The process is primarily aimed to work with parents to firstly inform them of the concern, then engage with them to identify and resolve any barriers to affecting attendance. It is only where all support-centred measures have failed to make an impact and the unauthorised absences continue, that legal action in the form of penalty notice will be considered.

Aquinas is accredited by Essex Police under the Community Safety Accreditation Scheme (CSAS) with the power to issue penalty notices. Aquinas also works very closely with the Local Authority's Attendance Compliance Team and is a member of The National Association of Social Workers in Education (NASWE).

Local Authority attendance support services

Local Authority Attendance Specialists work strategically by offering support to schools, to reduce persistent absences and improve overall attendance.

Parents are expected to work with the school and local authority to address any attendance concerns. Parents should proactively engage with the support offered, aiming to resolve any problems together. This is nearly always successful. If difficulties cannot be resolved in this way, the school may consider more formal support and/or refer the child to the Local Authority. If attendance does not improve, legal action may be taken in the form of a Penalty Notice (see Annex B for the Essex Code of Conduct) or prosecution in Magistrates' Court.

School Attendance and the Law

New legislation was passed, The School Attendance (Pupil Registration) (England) Regulations 2024 which introduced a National Framework in England. By law all children of compulsory school age must receive an appropriate full-time education (Education Act 1996). Parents have a legal duty to ensure their child attends school regularly at the school at which they are registered.

Parents may be recognised differently under education law than under family law. Section 576 of the Education Act 1996 states that a 'parent', in relation to a child or young person, includes any person who is not a parent (from which can be inferred 'biological parent') but who has parental responsibility, or who has care of the child.

A person typically has care of a child or young person if they are the person with whom the child lives, either full or part time and who looks after the child, irrespective of what their biological or legal relationship is with the child.

National Framework for Penalty Notices

There is now a single consistent national threshold for when a penalty notice must be considered by all schools in England, of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period. The 10 sessions of absence do not have to be consecutive and can be made up of a combination of any type of unauthorised absence (G, O and/or U coded within the school's registers). The 10-school week period can span different terms, school years or education settings.

Sanctions may include issuing each parent (for each child) with a Penalty Notice for £160, reduced to £80 if paid within 21 days (for the first offence). A second Penalty Notice issued within a three-year period will result in a fine of £160 per parent, per child. If a third offence is committed the matter may be referred to the local authority for consideration of prosecution via the Magistrates Court. If prosecution is instigated for irregular school attendance, each parent may receive a fine of up to

£2500 and/or up to 3 months in prison. If a parent is found guilty in court, they will receive a criminal conviction.

See Annex B for the Essex Code of Conduct.

There is no entitlement in law for pupils to take time off during the term to go on holiday or other absence for the purpose of leisure or recreation, or to take part in protest activity in school hours. In addition, the Supreme Court has ruled that the definition of regular school attendance is "in accordance with the rules prescribed by the school."

The School Attendance (Pupil Registration) (England) Regulations 2024 set out the statutory requirements for schools. All references to family holidays and extended leave have been removed. The amendments specify that headteachers may not grant any leave of absence during term time unless there are "exceptional circumstances" and they do not have any discretion to authorise up to ten days of absence each academic year.

It is a rule of this school that a leave of absence shall not be granted in term time unless there are reasons considered to be exceptional by the headteacher, irrespective of the child's overall attendance. Only the headteacher or his/her designate (not the local authority) may authorise such a request and all applications for a leave of absence must be made in writing, in advance, on the prescribed form provided by the school. The school will usually consider that the parent who has made the application is therefore allowing the leave of absence, and also that all parents who are on the holiday are allowing the leave. Where a parent removes a child after their application for leave was refused or where no application was made to the school, the absence will be recorded as unauthorised. It is likely that penalty notices will be requested, in line with the National Framework and Essex Code of Conduct, in respect of each parent believed to have allowed the absence.

At Castle View School 'exceptional circumstances' will be interpreted as:
"… being of unique and significant emotional, educational or spiritual value to the child which outweighs the loss of teaching time (as determined by the headteacher). The fundamental principles for defining 'exceptional' are events that are "rare, significant, unavoidable and short". By 'unavoidable' we mean an event that could not reasonably be scheduled at another time, outside of school term time, regardless of who has planned or paid for the holiday or absence (including grandparents or other family or friends)."

The headteacher/school may discuss the leave of absence request with other education settings and/or the Local Authority to investigate any exceptional circumstances.

If a leave of absence is authorised, the school will not provide work for children to do during their absence. Parents are, however, advised to offset the lost educational time incurred by a leave of absence.

<u>Deletion from Roll</u>

For any pupil leaving Castle View School, other than at the end of Year 11, parents/carers are required to complete a 'Pupils moving from school' form which can be obtained from the school office. This provides school with the following information: Child's name, class, current address, date of leaving, new home address, name of new school, address of new school. This information is essential to ensure that we know the whereabouts and may appropriately safeguard all our pupils, even those who leave us.

It is crucial that parents keep school updated with current addresses and contact details for the pupil and key family members, in case of emergency.

Under Pupil Regulations 2006, all schools are now **legally required** to notify their Local Authority of **every new entry** to the admission register **within five days** of the pupil being enrolled. In addition to this, **every deletion** from the school register must also be notified to the Local Authority, as soon as the ground for deletion has been met in relation to that pupil, and in any event no later than the time at which the pupil's name is deleted from the register. This duty does not apply when a pupil's name is removed from the admission register at a standard transition point – when the pupil has completed the final year of education normally provided by that school.

Absence data

We use data to monitor, identify and support individual pupils or groups of pupils when their attendance needs to improve, and schools are required to submit pupil attendance data to the Department for Education daily (Information about Individual Pupils, England, Amendment, Regulations 2024). Persistently and severely absent pupils are tracked and monitored carefully. We also combine this with academic tracking, as increased absence affects attainment.

We share information and work collaboratively with other schools in the area, local authorities, and other partners, including Aquinas (School Attendance Provisions) when absence is at risk of becoming persistent or severe.

Annex A: DfE guidance Summary table of responsibilities for school attendance. From 19th August 2024

https://assets.publishing.service.gov.uk/media/65e8ae343649a2001aed63aa/Summary_table_of_responsibilities_for_school_attendance__applies_from_19_August_2024_.pdf

All pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Ensure their child attends every day the school is open except when a statutory reason applies. Notify the school as soon as possible when their child has to be unexpectedly absent (e.g. sickness). Only request leave of absence in exceptional circumstances and do so in advance. Book any medical appointments around the school day where possible.	Have a clear school attendance policy on the school website which all staff, pupils and parents understand. Develop and maintain a whole school culture that promotes the benefits of good attendance. Accurately complete admission and attendance registers. Have robust daily processes to follow up absence. Regularly monitor data to identify patterns and trends and understand which pupils and pupil cohorts to focus on. Have a dedicated senior leader with overall responsibility for championing and improving attendance.	Take an active role in attendance improvement, support their school(s) to prioritise attendance, and work together with leaders to set whole school cultures. Ensure school leaders fulfil expectations and statutory duties. Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed. Ensure school staff receive training on attendance.	Have a strategic approach to improving attendance for the whole area and make it a key focus of all frontline council services. Have a School Attendance Support Team that works with all schools in their area to remove area-wide barriers to attendance. Provide each school with a named point of contact in the School Attendance Support Team who can support with queries and advice. Offer opportunities for all schools in the area to share effective practice.

Pupils at risk of becoming persistently absent

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered to prevent the need for more formal support.	Proactively use data to identify pupils at risk of persistent absence. Work with each identified pupil and their parents to understand and address the reasons for absence, including any in-school barriers to attendance. Where out of school barriers are identified, signpost and support access to any required services in the first instance and act as lead practitioner if attendance is the only issue and/or the local threshold for formal early help is not met. If the issue persists, take an active part in the multi-agency effort with the local authority and other partners. If a case meets the local threshold for formal early help/family support, this includes conducting the early help assessment and acting as the lead practitioner where all partners agree that the school is the best placed lead service. Where the lead practitioner is outside of the school, continue to work with the local authority and partners.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Hold a regular conversation with every school to identify, discuss and signpost or provide access to services for pupils who are persistently or severely absent or at risk of becoming so. Where there are out of school barriers, provide each identified pupil and their family with access to services they need in the first instance. If the issue persists, and there are multiple needs consider whether the threshold for early help is met and facilitate access where it is. Regardless, take an active part in the multi-agency effort with the school and other partners. Provide the lead practitioner in cases where threshold is met and all partners agree that a local authority service is best placed to lead. Where the lead practitioner is outside of the local authority, continue to work with the school and partners.

Persistently absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for pupils at risk of becoming persistently absent and: Where absence becomes persistent, put additional targeted support in place to remove any barriers. Where necessary this includes working with partners. Where there is a lack of engagement, hold more formal conversations with parents and be clear about the potential need for legal intervention in future. Where support is not working, being engaged with or appropriate, work with the local authority on legal intervention. Where there are safeguarding concerns, intensify support through a referral to statutory children's social care. Work with other schools in the local area, such as schools previously attended and the schools of any siblings.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for pupils at risk of becoming persistently absent and: Work jointly with the school to provide formal support options including attendance contracts and education supervision orders. Where there are safeguarding concerns, ensure joint working between the school, children's social care services and other statutory safeguarding partners. Where support is not working, being engaged with or appropriate, enforce attendance through legal intervention (including prosecution as a last resort).

Severely absent pupils

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the formal support offered – including any parenting contract or voluntary early help plan to prevent the need for legal intervention.	Continue support as for persistently absent pupils and: Agree a joint approach for all severely absent pupils with the local authority.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Continue support as for persistently absent pupils and: All services should make this group the top priority for support. This may include a whole family plan, consideration for an education, health and care plan, or alternative form of educational provision. Be especially conscious of any potential safeguarding issues, ensuring joint working between the school, children's social care services and other statutory safeguarding partners. Where appropriate, this could include conducting a full children's social care assessment and building attendance into children in need and child protection plans.

Support for cohorts of pupils with lower attendance than their peers

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Not applicable.	Proactively use data to identify cohorts with, or at risk of, low attendance and develop strategies to support them. Work with other schools in the local area and the local authority to share effective practice where there are common barriers to attendance.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Track local attendance data to prioritise support and unblock area wide attendance barriers where they impact numerous schools.

Support for pupils with medical conditions or SEND with poor attendance

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Maintain the same ambition for attendance and work with pupils and parents to maximise attendance. Ensure join up with pastoral support and where required, put in place additional support and adjustments, such as an individual healthcare plan and if applicable, ensuring the provision outlined in the pupil's EHCP is accessed. Consider additional support from wider services and external partners, making timely referrals. Regularly monitor data for such groups, including at board and governing body meetings and with local authorities.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Work closely with relevant services and partners, for example special educational needs, educational psychologists, and mental health services, to ensure joined up support for families. Ensure suitable education, such as alternative provision, is arranged for children of compulsory school age who because of health reasons would not otherwise receive a suitable education.

Support for pupils with a social worker

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand their child's barriers to attendance. Proactively engage with the support offered.	Know who the pupils who have, or who have had, a social worker are. Understand how the welfare, safeguarding, and child protection issues that they are experiencing, or have experienced, can have an impact on attendance – whilst maintaining a culture of high aspiration for the cohort. Provide additional academic support and make reasonable adjustments to help them, recognising that even when statutory social care intervention has ended, there can be a lasting impact on children's educational outcomes. Work in partnership with the local authority at a strategic and individual level, sharing data on attendance including, at an individual level, informing the pupil's social worker if there are any unexplained absences and if their name is to be deleted from the register.	Regularly review attendance data and help school leaders focus support on the pupils who need it.	Ensure that all Children's Social Care practitioners, understand the importance of good attendance for pupil's educational progress, for their welfare and their wider development – and understand their role in improving it. Through the work of Virtual School Heads, they should: • Undertake systemic monitoring and data sharing of the attendance of children with a social worker in their area: developing and implementing targeted cohort level interventions to improve attendance. • Provide advice, challenge and training to schools on how to promote and secure good attendance for children with a social worker. • Develop whole system approaches, with social care, to support the attendance of children in need.

Looked after and previously looked after children

Parents are expected to:	Schools are expected to:	Academy trustees and governing bodies are expected to:	Local authorities are expected to:
Work with the school and local authority to help them understand the child's barriers to attendance – including the development of Personal Education Plans. Proactively engage with the support offered.	Have high expectations for the cohort – with expert support and leadership provided by the designated teacher for looked-after and previously looked-after pupils. Work in partnership with the local authority Virtual School Head to develop and deliver high quality Personal Education Plans for looked-after children that support good attendance. Work directly with parents to develop good home-school links that support good attendance. For previously looked-after pupils this could include discussion on use of the Pupil Premium Plus funding managed by the school.	Designate a member of staff to have responsibility for the promotion of the educational achievement of looked-after and previously looked-after pupils. Monitor and review attendance of the cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.	Promote the educational achievement of looked-after and previously looked-after children – doing everything possible to minimise disruption to education when a pupil enters care. (LA that looks after the child:) Appoint an expert Virtual School Head (VSH) – will: • Monitor, report on, and evaluate the education outcomes of looked after children, including their attendance, as if they attended a single school- whenever they live or are educated. • Ensure schools know when they have a pupil looked after by the authority on their role and that information is shared with the school on issues that may impact on their attendance. • Ensure that all looked-after pupils have high quality, up to date, effective Personal Education Plans developed in partnership with schools, social workers and carers – including, where necessary, clear interventions and use of pupil premium plus funding to support good attendance. • Provide expert advice and information on the education of previously looked-after pupils to schools and parents – including their attendance.

Monitoring

Parents:	Schools:	Academy trustees and governing bodies:	Local authorities:
Schools regularly update parents on their child's attendance. (If parents feel the school and or local authority have not not delivered what they are expected to they should discuss the case with the school and/or local authority's attendance support team.)	The school's Senior Attendance Champion will ensure all school based staff complete their attendance responsibilities in line with the school's policies and procedures. The governing board or academy trust will hold the headteacher or executive leadership to account for their delegated responsibilities and for compliance with regulatory and statutory requirements. They will review progress and provide challenge when required. The board will help school leaders focus improvement efforts on the individual pupils or cohorts who need it most and ensure that school staff receive adequate training on attendance. Ofsted will expect schools to do all they reasonably can to achieve the highest possible attendance as part of the behaviour and attitudes judgement. This includes, where attendance is not consistently at or above what could reasonably be expected, that schools have a strong understanding of the causes of absence (particularly for persistent and severe absence) and a clear strategy in place that takes account of those causes to improve attendance for all pupils. Ultimately, in cases where a school has not met expectations or statutory duties the Secretary of State can consider a complaint.	DfE Regions Group considers multi academy trusts' efforts on attendance as part of decision making. Ofsted considers governing bodies' efforts as part of inspections.	DfE Regions Group monitors local authority efforts as part of regular interaction. Ofsted may consider the local area partnership's approach to improving attendance of children and young people with SEND as part of the SEND Area Inspection, and the local authority's approach to improving attendance for children with a social worker through inspecting local authority children's services. Ultimately, in cases where a local authority has not met expectations or statutory duties the Local Government and Social Care Ombudsman or the Secretary of State can consider a complaint.

Annex B ESSEX CODE OF CONDUCT: PENALTY NOTICES FOR PARENTS OF TRUANTS AND PARENTS OF PUPILS EXCLUDED FROM SCHOOL ANTI-SOCIAL BEHAVIOUR ACT 2003 SECTION 23

https://www.essex.gov.uk/schools-and-learning/schools/school-attendance-and-absence/penalty-notices

Annex C

Essex County Council

Helping parents to understand the changes to fines for term time holidays

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines issued for unauthorised holidays recorded by schools **after 19th August 2024**.

Who may be fined?

Penalty Notice Fines are issued to each parent who allows their child to be absent from school.

For example: 3 siblings absent for term time leave, would result in each parent who allowed the holiday receiving 3 separate fines.

National Threshold

There will be a single consistent national threshold for when a penalty notice must be considered by all schools in England of 10 sessions (usually equivalent to 5 school days) of unauthorised absence within a rolling 10 school week period.

These sessions do not have to be consecutive and can be made up of a combination of any type of unauthorised absence, including the U code (late after registers have closed).

For example: a 5 day holiday would meet the national threshold.

The 10-school week period can span different terms or school years.

First Offence

The first time a Penalty Notice is issued for an unauthorised term time holiday the fine amount will be:

£80 per parent, per child if paid within 21 days.

Increasing to £160 if paid between days 22-28.

Second Offence

(within 3 years)

The Second time a Penalty Notice is issued for unauthorised absence the amount will be:

£160 per parent (who allowed the holiday), per child, payable within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500.

Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.
