Castle View School

# Revision Guides

## What is available to purchase for my child leading up to their GCSE's

Below is a list of available revision guides that we as a school recommend you purchase for your child in order to support them in their GCSE's.

Some of these guides are available to purchase in school via our parent pay system. If you see the parent pay logo under a revision guide, then we have the guides in stock and are available to purchase now. ParentPay

Many departments create their own revision resources which are shared with students free of charge.
